

Main symptoms:

- Persistent or new cough
- High temperature
- Loss of taste or smell

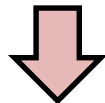

Self-isolate and book a test

All household members to isolate

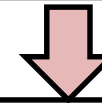

Positive test =
Follow guidance
on isolation,
including **all**
household
members

Negative test =
All household
members can
return to
work/school, **if**
well enough to
do so

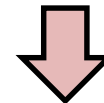

Other symptoms:

- Headaches
- Aches and pains
- Feeling very tired for no good reason
- Sore throat
- Runny nose
- Sneezing
- Sometimes 'tummy ache' in children

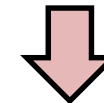

Book a test as a precaution

Continue to attend work/school, **if** well
enough to do so

Positive test =
Follow guidance
on isolation,
including **all**
household
members

Negative test =
All household
members can
return to
work/school, **if**
well enough to
do so
