## WELCOME BACK!

It has been wonderful to welcome back everyone to school over the last couple of weeks. The children have all grown so much since we last saw them in March!

Thanks to you all for your continued support and understanding as we have been settling back into school life. It's inevitable that the changes in systems and routines will take time to embed, and no doubt we will continue to tweak as we go along, but your co-operation throughout has been much appreciated.

A huge well done and thanks to all the children who have returned with big smiles on their faces and enthusiasm towards their learning. Keep up the great work!

Welcome to all our new Reception children and their families. We didn't get to know you in the way that we normally would in the summer term and so it has been lovely to meet you all in person as you drop off and collect. Reception children have been amazing this week! They have thrown themselves into school life with real gusto and energy. I look forward to watching them progress over the year and throughout their time at Greysbrooke.

### CONSENT Information

It's that time of year where we are making sure we have all the information for your child correct and up-to-date. Therefore, if there are any changes you would like to make to the consent you grant for your child to go on visits or for their images to be used on display boards, video in school, website, media, Twitter, please contact the school office via email/telephone and they will send home new forms with your child for you to complete and return.

### Important Dates
