

Dear Parents/Carers

22nd September 2020

LACHES WOOD

It is with huge regret that we have to inform you that due to COVID-19, the government have issued guidelines informing schools that they are unable to partake in educational visits with overnight stays. This has resulted in us needing to take the action of cancelling our forthcoming trip to Laches Wood in November.

Refunds will be processed once the monies have been claimed through the insurance company.

Many thanks for your continued support in these challenging and uncertain times.

Kind regards

Ellie Ballinger
Headteacher
