Dear Parents

11 October 2018

SCHOOL SUBSCRIPTIONS

As in previous years and in keeping with many schools, we continue to seek to raise additional funds to enable the school to carry out improvements to the children's learning environment that could not be met from existing funding sources.

An annual parental contribution of £20 per child is therefore requested (if you wish to make an additional donation please adjust the amount accordingly). We do not ask for contributions for more than the two older children in school from any one family, nor where family circumstances make such a contribution difficult. This subscription is requested once in each new academic year and will be the only request for such support during that time. We would be grateful if your contribution could be submitted by the end of December using one of the following methods:

- ParentPay - log in, select 'School Subscriptions 2018'
- PayPoint – your letter will include a bar code to be used if this is your selected method of payment
- Bank transfer using internet or phone banking to HSBC Bank, account number 71206478, sort code 40-28-18, payee name Greysbrooke School Fund. Please give your surname and 'school subs' as the payment reference.

This is a voluntary contribution which makes a vital difference to many areas of school improvement and the monies raised will assist us in developing our learning environment for the benefit of all the children.

Yours sincerely

Dr P Hedges
Chair of Governors

Mrs T Holmes
Headteacher
